## AGENT FOR 'FRISCO SYSTEM

Rock Island New Acquisition Will Have Separate Representation.

Have Separate Representation.

James G. Doolittle has been reappointed to represent the Frisco system in this territory, reporting to General Western Agent Martin at Denver. For the present he will not sever his connection with the Salt Lake Water & Electrical Power company, but will continue to serve that company in the capacity of receiver's agent until the close of the receivership, which is expected to take place in the near future.

In the meantime Mr. Doolittle will have an assistant to help him in his railroad work. Mr. Doolittle worked for the Frisco system in the same position before, leaving that service three years ago to take the position of manager of the power company. At one time he acted here as agent for the Rio Grande at the local depot.

The work was not finished and an addournment was taken until Monday night, when the list will be completed.

Judge O. W. Powers presided over the entertainment feature of the evening. The programme consisted of musical features—both instrumental and by an orchestra—and short speeches by Elks, the various members of the two theatrical companies and many of the invited guests. The actors added much to the pleasures of the evening by reciting sketches, poems and giving short vaudeville skits. There were also a number of vocal selections.
During the course of the evening light refreshments were served by members of the club, who, adorried in white aprons and coats, did their best to act the part

School Board Meets.

The time for the submitting of bids for the furnishing of school supplies was extended last night for one week by order of the board of education. The report of Superintendent Allison giving a list of text books to be required next year was received and their purchase according to the list submitted was crdered. This will involve the buying of between \$,000 and \$,000 volumes.

Principal Wilson of the High School asked that the board fix some date for the annual field day. The board did not definitely settle the date, but intimated that any date in the latter part of May which will be satisfactory to the principals and pupils will be satisfactory to the board. The field day contests will take place at Glenwood.
